S&E degrees awarded to Hispanics or Latinos and blacks or African Americans, by degree level and field: 2017

Blacks or African Americans

Note(s)

Hispanic may be any race; race categories exclude Hispanic origin. Doctoral degree data in this figure differ from doctoral degree data in other tables and figures in this report that are based on the National Science Foundation Survey of Earned Doctorates and that refer to research doctorates only. The greatest differences are in psychology, education, and medical and other life sciences. These data reflect totals for U.S. citizens and permanent residents at all degree levels.
