

Figure KTI-18

Average foreign value-added share of KTI and total gross exports for selected countries: 2002–18

KTI = knowledge and technology intensive; nec = not elsewhere classified.

**Note(s):**

A country's average foreign value-added share of gross exports for KTI industries is the weighted average of the country's foreign value-added shares of the following industries: chemicals and chemical products; pharmaceuticals; computer, electronic, and optical products; electrical equipment; machinery and equipment nec; motor vehicles, trailers, and semi-trailers; other transport equipment; and information technology and other information services. China includes Hong Kong.
