

Figure PPS-8

How often U.S. adults thought about the impact of science on their everyday lives, before and during the COVID-19 pandemic: 2019 and 2020

*n* = number of survey responses.

**Note(s):**

See Table SPPS-21 for standard errors. Responses are to the following:  
- How much do you think about the impact of science in your everyday life? Select one.  
A lot  
A little  
Never
