

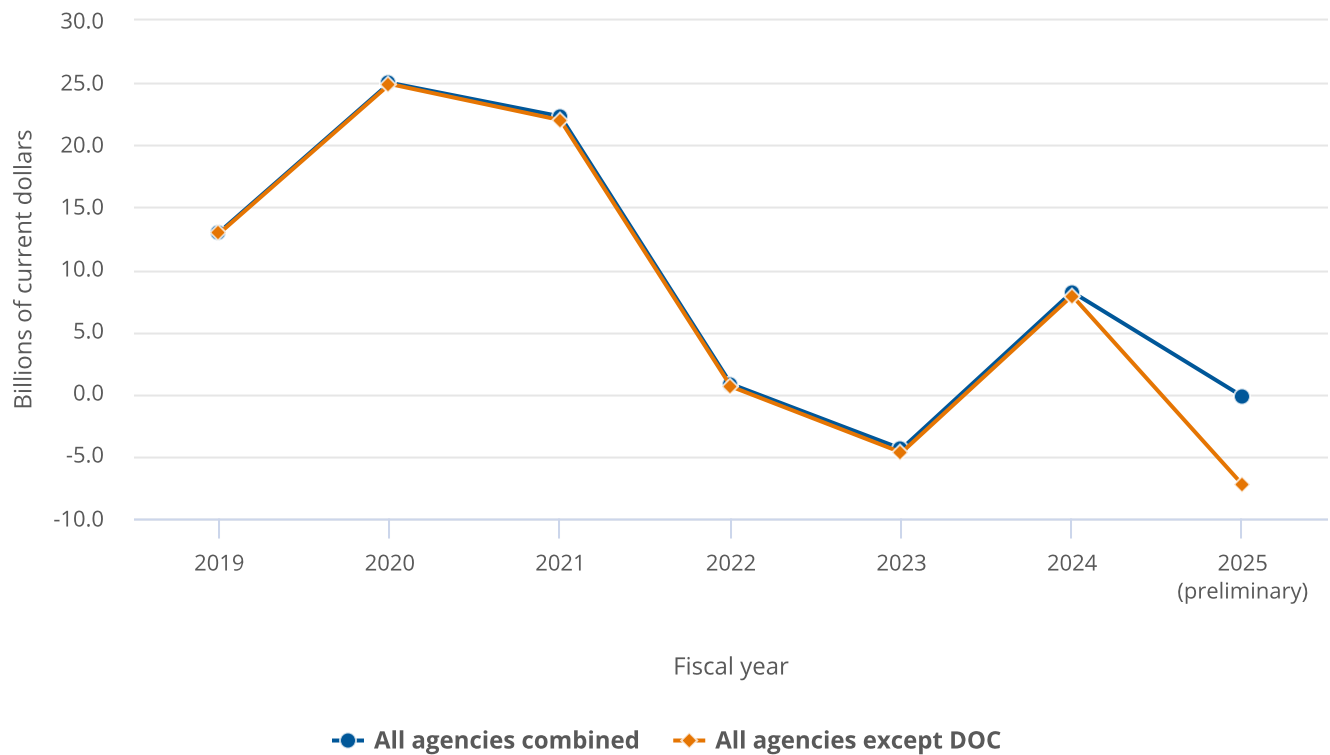

Figure 4. Impact of DOC on total federal obligations for research and experimental development, change over previous fiscal year: FYs 2019–25

DOC = Department of Commerce.

Note(s):

Because of rounding, detail may not add to total. FY 2022 obligations include additional funding provided by supplemental COVID-19 pandemic-related appropriations (e.g., Coronavirus Aid, Relief, and Economic Security [CARES] Act). FYs 2022–24 obligations include additional funding appropriated under the Infrastructure Investment and Jobs Act, CHIPS and Science Act, and the Inflation Reduction Act.
