^a Data exclude obligations for the university's foundation or auxiliary organization or some campuses or branches that are not tribal colleges and universities.

Note(s):

Detail may not add to total because of rounding. Institution order is based on total actual dollars received before amounts are rounded. Amounts for institutions in this table exclude obligations for the university's foundation or auxiliary organization or some campuses or branches as those are not tribal colleges or universities and therefore the federal obligations presented in this table for some institutions may differ from those presented for these same institutions in all other tables not exclusive to the list of tribal colleges and universities. Only those agencies that had obligations in the variables represented by this table appear in the table. The list of tribal colleges and universities is from the White House Initiative on American Indian and Alaska Native Education (WHIAIANE). (See the archived WHIAIANE site at <https://www.ed.gov/ed-web-archives>.) In accordance with Executive Order No. 13270, "Tribal Colleges and Universities," as extended by Executive Order No. 13316, the list includes all of the colleges cited in section 532 of the Equity in Educational Land-Grant Status Act of 1994 (7 U.S.C. 301 note), any other institution that qualifies for funding under the Tribally Controlled Community College Assistance Act of 1978 (25 U.S.C. 1801 et seq.), and Dine College, which is authorized in the Navajo Community College Assistance Act of 1978, Public Law 95-471, title II (25 U.S.C. 640a note). The statutory definition of American Indian tribally controlled colleges and universities, to which the Higher Education Act refers at Â§316(b)(3), 20 U.S.C. 1059c(b)(3), is in section 2(a)(4) of the Tribally Controlled College and University Assistance Act of 1978, 25 U.S.C. 1801(a)(4).
